No Service Type Identifier (STID) Changes Scheduled for July 2014

PostalOne! Release 38.0.0 originally scheduled for July 2014 has been rescheduled for implementation on September 7, 2014.

There will be no STID changes or additions scheduled for Release 38.0.0. A previously posted pre-notice of new STIDs for July has been removed from the Service Type Identifier information page that was accessed through the RIBBS® "Important Updates" Link.
